## Support notes

- * IE 10 and IE 11 **MUST** be run in **Compatibility Mode** for optimum functionality.
- ** *Password Maintenance* (for Forgot Password/Unlock Account/New User functions) is **NOT compatible** with Google Chrome at this time.
- *My Training* web courses require **Flash Player 10** or above and **Java 7**.  Java 7.45-7.51 are recommended versions.
- Some font and formatting issues may occur in *My Training* when using browsers other than IE and Firefox.
- Internet Explorer Security Setting should be set to Medium or lower.  Disable pop-up blocker or allow for all *.louisiana.gov addresses.
- The browser zoom level should not exceed 100% when using LEO.
- These specifications are *only* for LEO and not the LaGov Single Sign-On Portal.
- Adobe Acrobat Reader version 10 or higher is required.  If pay statement is not displaying correctly, turn off Protected Mode in Acrobat.
- Required ports for firewall or HTTP Proxy Server:  Port 443 (Secure Portal Web Server) and Port 8888 (Password Maintenance Application).
- If you need assistance, locate the "*Who do I contact for Help?*" link on the LEO Home Page or contact your agency.
